Aline Busnardo - MIJD An "Unbelievably Amazing" Year

Hello and welcome to the JDI Spirit Supreme Session! I hope you are excited and ready to have a fantastic week with your Jobie Family! If anybody told me one year ago that I was going to win the Miss International Job's Daughter Pageant 2010, and have the opportunity to travel around the world, meeting so many sisters and adults, I would say that they were at least crazy. It would be very hard for me to believe - and, in fact, maybe that's a good way for me to describe this year - unbelievably amazing.

Having the opportunity of traveling to almost all the places that we have Job's Daughters and, especially, meeting so many girls was the most important thing for me during the year. It was terrific to see how many sweet and lovely members we have, and how we share the same love for our organization. I could see, once more, that we truly are sisters, no matter how far away we live from each other.

I could see how different the jurisdictions are, and, at the same time, how we strive to achieve the same kind of goals. I could see even more what we are all about and everything made me learn, learn and learn a little bit more. And that is also what made this year so special. I was able to grow so much as a Jobie and as a person, and that was only possible

because of all the incredible people we have as members, adult volunteers and supporters.

So, I thank everybody who gave me opportunities to grow. All the interviews for Bethel's and Grand Bethel's Newspapers, radio interviews, opportunities to speak for the Grand Masters, Worshipful Masters and members of Lodges, to write articles for Masonic and DeMolay magazines, to help with Miss Job's Daughter Pageants, questions and answers about the Ritual, and so many other opportunities that I had over this year.

But what would this year be without fun? And believe me - we had a lot! I will never forget the visits to museums, sleepovers, amusement parks, Jobie races and camps. Whether it was going to the Australia Zoo and getting to hold a koala and feed kangaroos, zip-wiring in the middle of Las Vegas, going to the Iguazu Falls, tasting all sorts of food and ice-cream, going to my first basketball and hockey games, spending my 18th birthday in St. Louis, ice-skating and falling on the ground and making Courtney fall with me, or forgetting my belongings at people's houses, cars and even at airport restrooms! But don't worry! I got them all back, even though once we had to ride back to a city to get my purse.

(Thanks Mom Toni and Dad Rick for

being so nice about it, by the way!). And, yes, maybe my most frequent thought was: Why is the weather so cold?! But even though I was freezing, I could feel perfectly fine due to all the warm hearts that we met. So, once more, thank you to everybody that made this year be everything it was and to all the Job's Daughters' supporters. This is an amazing organization, and it always will be.

With all my love,

Aline Busnardo

Make plans now to attend Job's Daughters University 2012! JDU will be held July 8 - 14 at the Masonic Conference Center, Patton Campus, Elizabethtown, PA. You'll try out topics like *Public Speaking, Internet and Social Networking Safety, Culinary Design, CPR/First Aid, Job's Daughters History, Vehicle Maintenance, Drug and Alcohol Prevention, Fire Safety, Skin Care, Traveling Safety, and Ritual*. You'll get to see which areas you like most, and where your "best fit" in leadership might be. All of these are aimed at making you a better Job's Daughter! Besides the special guest speakers through the week, all in attendance will take part in a special "Spring Break" trip.

What would you expect to pay for this week of fun, learning, and exhaustion, \$500? Not even close. Jobs Daughters can enjoy this week for \$200 (Housing, Meals, and Conference T-Shirt included). For more information contact Dean of Students, Jason Stains at jasonstains@comcast.net or Registrar, Pam Madonna at madonnap@etown.edu.
