Congratulations to The HIKE Fund, Inc. 25 Years of Philanthropy

As those of you who attended Wednesday evenings Opening Ceremonies for the 91st Annual Supreme Session may have heard, this is the 25th Anniversary Year of The HIKE Fund, Inc. The HIKE Fund was established by Emma Tedrick and Charles (Chuck) Terrill, during their year as Supreme Guardian and Associate Supreme Guardian, 1985-1986. Mr. Bill Cloyd, President of the Board of Directors for The

HIKE Fund, Inc., announced some very amazing statistics that have been achieved during the past 25 years, of HIKE's existence, and honored Emma and Chuck during the presentations of HIKE awards.

One of the highlights of the week was the presentation made on Tuesday evening, July 26th, right before the HIKE 25th Anniversary Celebration. Colin Helms, 4 years old, was given a check to help his family purchase hearing devices

for him. Many challenges, both structural and financial, continue to challenge the work of The HIKE Fund, Inc. Today, though, the fund continues to prosper and has

reached over \$3,000,000.00 in awards to children with hearing loss in the United States and the Philippines.

Something you may not know is that any child with hearing loss between the ages of newborn and twenty years, with financial need, may apply. They do not need to be related to a Job's Daughter or have a Masonic affiliation. Information on applying for a grant is available on the HIKE Fund website at thehikfund.org.

During the Wednesday evening formal opening ceremony, Emma Tedrick and Charles Terrill were honored with the establishment of a new Supreme Scholarship in their names that will now be awarded yearly to a Job's Daughter who is majoring in Audiology or Hearing Studies.

THE MOST UNUSUAL QUESTION OF 2011

Tomilynn E. Willits McManus, PHQ, PSG, Curator

I placed this announcement on the SNE website several months ago,
but I told Hannah that I would also distribute it at Supreme Session.

Help Wanted

Hello, I am a student at Michigan State University researching a collection of vintage clothing that was donated to our Theatre Department. The clothes appear in a 1950s-60s fashion show that acknowledges the Job's Daughters in its undated program. The women listed here were probably the models at that event. If you have any information about these women, it would be of huge interest to us. Maybe they belonged to your Bethel. Thank you. Hannah Stoppel at stoppelh@msu.edu.

Pennsylvania Job's Daughters

Make plans now to attend Job's Daughters University 2012! JDU will be held July 8 - 14 at the Masonic Conference Center, Patton Campus, Elizabethtown, PA. You'll try out topics like *Public Speaking, Internet and Social Networking Safety, Culinary Design, CPR/First Aid, Job's Daughters History, Vehicle Maintenance, Drug and Alcohol Prevention, Fire Safety, Skin Care, Traveling Safety, and Ritual*. You'll get to see which areas you like most, and where your "best fit" in leadership might be. All of these are aimed at making you a better Job's Daughter! Besides the special guest speakers through the week, all in attendance will take part in a special "Spring Break" trip.

What would you expect to pay for this week of fun, learning, and exhaustion, \$500? Not even close. Jobs Daughters can enjoy this week for \$200 (Housing, Meals, and Conference T-Shirt included). For more information contact Dean of Students, Jason Stains at jasonstains@comcast.net or Registrar, Pam Madonna at madonna@etown.edu.
