21+ Event (Adults Only)

Rock and Roll Bingo combines the challenge of Trivia and the excitement of Bingo. Each Rock and Roll Bingo event consists of multiple themed games. Each game features various musical genres, including Oldies, Disco, Country, Hip Hop and Pop. Artists included range from Frank Sinatra to Taylor Swift. A series of song clips are played, ranging in length from 15 to 20 seconds. Players identify the musical artists in order to mark off their bingo card.
