SUPREME GUARDIAN UPDATE

The Supreme Team of Barbara Von Lienen, Supreme Guardian, Robert Worthington Associate Supreme Guardian, Annabelle Miss International Job's Daughter, and Diane Bloch, Supreme Deputy had many exciting events during the Supreme Visit to Florida. The first event was to institute a new Bethel in Green Cove Springs FL. Many people from around the state came to support the Daughters and adults. Julia did an excellent job presiding over the institution and initiation meeting. MIJD Annabelle was superb as the installing officer for the installation of new officers. Mom Barbara instituted the Bethel and installed the new council members.

Next, the group met with adults and girls in the Tampa area who are interested in starting a Bethel in the southern part of the state. Among those in attendance were the current Grand Master of Florida, the Deputy Grand Master, and Past Grand Master, showing the tremendous support of the Grand Lodge and the Masons in Florida for Job's Daughters and the youth Groups. Thanks to all who attended. There was lots of excitement and energy from the group.

The final event was super exciting. On January 21, Bethel #19 Clermont, Florida. After years of work, the Bethel was ready to be chartered, but then COVID started. As with many Bethels, this Bethel survived and came back stronger than ever. Bethel #19 is known as the "seed of promise" Bethel after a suggestion by PMIJD Bethany to allow any young lady in Florida to attend virtually or in person, and as the interest grew in their home locations, they would become the seed in the garden to grow more Bethels. Bethel UD Green Cove Springs is one of the new gardens that has sprouted from Bethel #19.

A huge heartfelt thank you to Mom April Blankenship and Dad Jody Meguiar for the hours of dedicated work to support and grow Job's Daughters in Florida. Your flowers are starting to sprout, and with them come the Jobie-to-Bees. What an exciting time to see positive growth in North America!
