

For the next year I want to see all Job's Daughters travel and support your sisters and get to know members from all around the state. Visit other Bethels by going to their meetings and fun activities.

Starting today and going through April 26th, 2025 if you want to participate. You can earn points at all activities throughout the year. I have broken down the different activities that you can get points for. You will need to write down what activity it was and date. Have it signed off by a council member at the event. If you get "Mom" Angela or "Dad" Chris B. to sign it you will get an extra point. I personally will pay for the Job's Daughter that gets the most points for her way to grand session and the Job's daughter with 2nd most points will get half her way pay next year.

Since our Grand Bethel Trio will be traveling and visit as many Bethels and events as they can. You 3 will have a different reward a \$50.00 Amazon Gift card to the one of you who gets the most points amongst yourself.

<b>EVENT:</b>	<b>POINTS:</b>
