**— Take your chance at winning a  
mystery prize!  
Throw a (rubber) duck at the  
target!**

# Lincoln Truman HIKE Reminder and Update

Hello Missouri and Illinois Job's Daughters,

As we are nearing the date for the already announced Lincoln Truman HIKE for 2024 we wanted to provide you with a few updates about the event.

The event will run from noon to about 3:30pm on September 14.

Lunch, registration and sales for the event will begin at the lodge building in Belleville (225 East A St). Registration and food will be available from noon to 12:40. (Cahokia Mounds is a State Park and food and sales are problematic there.)

From there we will move the party over to Cahokia Mounds (30 Ramsey St, Collinsville, IL). Where we will have a fun "Duck Hunt", visit the historical sites, awards for the individuals and Bethels that have raised the most for HIKE already and most importantly hold our "Chuck-A-Duck" activity.

The Chuck-A-Duck is an activity where you try to throw your duck into a special target with prizes for those that are successful. (Each duck throw can be earned by raising \$15 dollars or by the Daughter making a \$5 donation.)

The lunch is only \$5 and will include sandwiches, chips and drinks. Please RSVP with the number attending by the 10th to [carrie.rund@gmail.com](mailto:carrie.rund@gmail.com) so we will have enough food for everyone.

Get out there and start raising money for HIKE. We want a lot of ducks to be chucked.

Hailey A.  
and the  
IL HIKE Committee
