Will read:

MO-(w) Be the Official Delegate of the Grand Guardian Council at the Annual Session of the Supreme Guardian Council, or to appoint her proxy if she cannot attend. (See B-SGC 17 Art. XV Sec. 3(a))

Reason: In 2025 SGC law was updated to allow the GG to appoint an elected member of her GGC to represent her as her proxy at that Session. I am simply changing so that we are not limited to the VGG being the proxy for the GG based on SGC law.

According to the laws of the SGC, the AGG, VGG and VAGG are also voting delegates of the SGC and may appoint an elected member of the GGC to be their respective proxy if they cannot attend. Since this is written in SGC law there is no need to add proxy language to MO law.

- [a] To audit all books and accounts of the Grand Secretary and Grand Treasurer; ~~and the Educational Scholarship Committee~~ twice annually, January and ~~no later than ten (10) days~~ prior to the Annual Meeting of the Grand Guardian Council Session.

Reason: The past several years the Finance Committee has been meeting in January and at Grand Session prior to the annual meeting on Saturday to review and audit the books of the Grand Secretary and Grand Treasurer. This makes it easier for all parties to be in attendance.

The Educational Scholarship Committee does not hold any financial books of the GGC. All funds are handled through the Grand Secretary and Grand Treasurer with scholarship funds disbursement approved by Finance.

MO-SOP-GGC 4-2

- (n)(1) The Grand Guardian Council shall pay the Pageant registration fee for the Miss Missouri Job's Daughter delegate to participate in the Miss International Job's Daughter Pageant held annually at the Supreme Session.

Reason:

(g) (1)(d) is added to the duties to ensure a report is prepared. There have been years there was no report submitted.

(g) (2) The advance change is to reflect that the Pageant Chair may request the advance if needed and that expenses and receipts be submitted for same.

SOP (n)(1) The registration change is to make it clear that the registration fee here is for the MIJD Pageant participation and not the Supreme Session registration fee to attend SS which is covered in a separate section of our law.

Failure to do so will result in forfeiture of the scholarship which must be returned to the Grand Guardian Council within six (6) months of receipt.

Reason:

We have so few members who are eligible to apply each year, as a GGC, we should be helping all members with the educational goals, regardless of the degree they are working on as long as they meet the other application requirements. The term Primary degree limits the daughter's ability to apply for money when they need it.

She shall be allowed twenty (20) cents per mile by the most direct route round trip, or air travel at coach rate. She shall be allowed forty dollars (\$40.00) per day for meals and actual expenses per day for her share of the lodging for each of the days she is participating in pageant activities, not to exceed six (6) nights. An itemized account of expenses shall be submitted within thirty (30) days after the Session. The Supreme Session registration fee shall be reimbursed at the least expensive amount for her category and shall be included in her itemize account of expenses for the Session.
- (2) In the event a Daughter who is registered with the Missouri Delegation is selected as Supreme Bethel Honored Queen, the Grand Guardian Council shall allow the chaperone for the Supreme Bethel Honored Queen actual expenses per day for her share of the lodging for each of the days in attendance, not to exceed six (6) nights at Supreme Session, if not provided by the Supreme Guardian Council. Said chaperone shall lodge in the same room as the Supreme Bethel Honored Queen. If said chaperone does not, the chaperone's reimbursement shall be actual expenses per day of her share of the lodging for each day in attendance, not to exceed six (6) nights at Supreme Session, and shall not exceed one-half (1/2) of actual lodging expenses. The Supreme Bethel Honored Queen chaperone shall be allowed forty dollars (\$40.00) per day for meals for each of the days in attendance, not to exceed six (6) days at Supreme Session, as long as the GGC Budget has funds for this expense.

Reason: Our law stipulates disbursements if a member is selected as MIJD but with Missouri just receiving our first SBHQ, we didn't have anything in our law if a member is selected as SBHQ. This mirrors what is given to the MIJD.

- (b) The Grand Bethel Senior Princess shall determine the number of Bethels assigned to each Grand Bethel Representative with the approval of the Grand Bethel Guardian Council.
- (1) No Grand Bethel Representative shall have more than seventy-five (75) Bethels.
- (2) For Jurisdictions having more than seventy-five (75) Bethels, additional Grand Bethel Representatives shall be selected to share the number of Bethels.

Reason:

With the number of Members signing up to be Grand Bethel Representatives dropping, we are running the risk of requiring more representatives than we have Members for. This helps the incoming GBSP have a full list of Officers and Representatives.

In case of sickness or other unavoidable absence, the Grand Bethel Guardian Council present shall decide upon and announce the eligibility of the absentee.

Reason:

We have a young Jurisdiction who are eager to be more involved in MOJDI. Making them wait years after their Honored Queen terms to be eligible for the next commitment, discourages them from working toward that goal. The Members often get pulled in other directions in High School and College, which makes being in the Grand Bethel elected positions harder to maintain. This opens the opportunity up to those who feel ready for this commitment.

Failure to do so will result in forfeiture of the scholarship which must be returned to the Grand Bethel of Missouri within six (6) months of receipt.

Reason: While this hasn't affected many of our members, it should be recognized that members who are chosen to serve at the international level and can defer schooling in order to travel and represent JDI, should have the option to defer their scholarship as well.

Will read and renumber as appropriate:

- (1) To notify all Bethels in this jurisdiction. no later than May 1. through the Grand Secretary's office. the initial information and registration forms regarding the Pageant.
 - a. The initial information and registration forms shall include the selection of the ritual recitation for the Jr. Miss Missouri contestants.
 - b. The initial information and registration forms shall include the list of ritual recitations from which the committee will pick for the day of the pageant to be presented by the Miss Missouri contestants.
- (2) Include in the initial information for contestants that all forms and fees be received by the pageant committee no later than July 1.
- (3) To notify all Bethels, no later than June 1, through the Grand Secretary's office, the information pertaining to the Pageant Program advertisements, sponsors, patrons, etc. and Pageant Banquet ticket information and costs.

Reason:

Contestant forms need to be the same each year and early enough so the contestants have the summer to prepare for the pageant. With information distributed on May 1, per our law, it gives the Bethels 3 to 4 meetings to select their contestants and communicate same to the committee by July 1.

The Miss Contestants should be given the list of messengers the committee will be picking from, the day of the pageant, so they have the summer to practice while not in school the same as the Jr. Miss have their part given to them. This past year (2nd, 3rd or 4th Messenger) was included for Miss but the communication did not come out till mid-August.

By notifying the Bethels and contestants before most go dark, it will give more time to prepare, collect ads, sponsors, etc. and communicate the information and budget for the cost of the banquet.

The pageant is self-funded, and with the rising costs of everything involved, we're exploring ways to reduce expenses. The outgoing trios' parents and Bethels often give them flowers during presentations, so we are hoping to incorporate that tradition into our budget friendly approach.

Since the pageant is self-funded and costs are rising, we're exploring ways to save money. Plus, with fewer participants over the last few years, it's tricky to know how many trophies to order in advance.
