

2026 Lincoln–Truman HIKE

Color Splash Craft Circuit

October 3, 2026 10:00 AM

Gordon F. Moore Park

4550 College Avenue

Alton, IL 62002

Dear Job's Daughters, Jobies-to-Bee, Prospective Members, Family, and Friends,

Get ready to add a little **color** to your day while making a big difference! Spend the day creating your very own colorful zipper pouch as you travel through a variety of fun decorating stations! You'll have the opportunity to use stencils, fabric markers, paint, patches, rhinestones, and more to design a one-of-a-kind keepsake that's uniquely yours.

The cost is a flat fee of \$15 per person with lunch included! There are no additional charges for the different craft stations or supplies, so you can visit each station and get as creative as you'd like. Cash, check payable to GGC of IL, and PayPal will be accepted. A 3% fee (\$0.45) will be added if using PayPal.

And here's the best part: after event expenses and fees have been paid, all remaining money collected will be donated directly to the HIKE Fund! So, while you're having fun and creating something special, you are also helping support HIKE's mission of providing hearing devices and assistance to children in need.

If Mother Nature does not cooperate, don't worry! We will move the fun indoors to Franklin Lodge #25 located at 1513 Washington Avenue, Alton, Illinois 62002.

Please RSVP by September 18, 2026, to: Danielle Grimshaw at HIKE@ILJD.org or by using Eventbrite link at <https://share.google/VxfA9kDEw7QWwZEOv>

Whether you're an experienced crafter or simply looking for a fun day with friends, we hope you'll join us for laughter, creativity, fellowship, and a wonderful cause. We can't wait to see how you decorate your zipper pouch!

Come ready to get creative, make memories, and help children hear, learn, and thrive!

And don't forget your HIKE donations! If you've already been collecting donations for HIKE, be sure to bring them with you to the Color Splash Craft Circuit. Every dollar you've collected helps us add even more to our HIKE total and brings us one step closer to helping another child hear. Let's see just how big of a splash we can make for HIKE together!

We hope to see you there!

With colorful wishes,

Danielle Grimshaw HIKE Chairman
