## YOUTH PROTECTION PROGRAM UPDATES

We've received several questions about violation procedures, including how the process works and which forms to use. To address this, both **YPP-007** and **YPP-008** have been updated and are now available under the **Youth Protection** section on the JDI website.

**YPP-007** now includes a new category of **Financial Impropriety**. The reporting form for abuse cases, **YPP-008**, has also been revised to provide clearer guidance on the reporting process and outline what steps need to be taken when a potential abuse case arises.

In addition, we've created a document that outlines the process for filing a violation report and what happens once it is filed. As a reminder, all violation reports—per the instructions on the form—are submitted directly to the Supreme Office.

If you have any questions, please feel free to reach out.

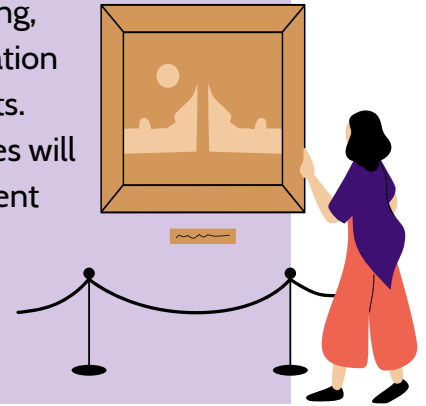

We are also looking to add a couple of new CAV virtual trainers to our team. If you are interested, the application form is also on the website.

# Creating Displays for JDI

A new resource for the creation of museum-style displays is now available on the JDI website - **Resources** page. This document offers practical and adaptable recommendations for Bethels and jurisdictions that are interested in developing museum-style displays that honor the history, values, and community impact of Job's Daughters International. It covers storytelling, object selection, label and panel design, accessibility, and basic preservation practices, with scalable examples for small, medium, and large exhibits. Bethels that are looking to update any existing displays or create new ones will find clear, flexible guidance to support accurate, engaging, and consistent interpretation across a variety of settings.

If you have questions, please feel free to reach out to the Supreme Office ([office@jdint.org](mailto:office@jdint.org)) for additional information or case-specific guidance.

## Legacy Program

Your generous donations to the Legacy Program ensure that JDI can continue to empower young women for generations to come. By contributing, you support leadership development, foster community engagement, and enhance educational opportunities.

To show our appreciation, we offer a beautiful JDI Legacy Pin for donations at the following levels:

\$250, \$500, \$750, \$1,000 (USD, CDN, AUS) and many amounts above these levels for which we add incremental stones. Our Philippines members initial contributions in increments of ₱3,000 receive the same pin.

We have been blessed by the generosity of our donors this year. As we enter the season of giving, consider supporting JDI by giving to the Legacy Program.

***"Give a gift of recognition to the person  
who loves JDI as much as you do!"***
